Hello,

This is Nicholas Guerin and I would like to submit a grievance against the Presidential ticket of Michael Jordan and Donald Garrett. As shown in the screen-shots attached, they have openly started campaigning electronically on their Facebook pages before official campaigning has started. If you have any questions from myself, please feel free to contact me at this email or at my phone number listed in my signature. I also don't know if they files attached properly, so please email if they did not send properly.

Very Respectfully,
Nicholas E. Guerin
