Phil – running late

Aaron – class 15 late

Joe - late

Meeting started at 5:28

Morgan

Not much to talk about, mostly things we want to work on; step back approach this semester; try to work with admin and relationship with police chief search

Dining – David coming on Thursday for dining undersecretary

Committee – handle things that don't fall under anything else: parking/dining

New dining contract – announcement tomorrow, we will be able to know on Thursday about future plans for dining

Ikes – no ikes all of next year; Mark Craner would like us to brainstorm of how to solve the lack of a venue

Ideas – changing pilot house hours; food trucks; Gold Rush

Parking – Josh Cantor is doing his thing

iT forum later this month; Know your rights forum – mason police and resident life in discussion of rights in dorms

Next year – move forward with contract with book store; involved with search for dining contractor; legacy trips and how to set them up

Go around the room and do introductions

Dining complaints:

Sam – anti complaint; Gold Rush, Myong is awesome, very friendly always has a smile on her face

Khushboo – Freshens, went three times the first week and they did not have Energy at all

Bridgette: health and campus safety; Noro virus; here yearly but we got a string from Sydney and its beginning to hit this area; symptoms: nausea, diarrhea, flu like symptoms in three days; germs present 3 days before symptoms appear and last 2 weeks after; find on toilet seat; 10 molecules of germs and you will get it; very hard to get rid of; no vaccine

Student body needs to know that hand sanitizer does not kill these germs. WASH THOSE HANDS

Solutions: do something or just pass facts; germ star will kill it; Milton tablets dissolved in water
