Nick: (to Joe) did you have an accompanying resolution for bill 19?

Joe: oh poop

Nick: do you want to amend it on the floor or what?

Joe: I'll go talk to Alex

Nick: Is anyone free between 11 and 5 on the 12th for the finance fair?

Jackie: yes

Sam: yes

Nick: okay, great we'll set up shifts or something

Sam: what are we doing for committee that day?

Nick: that is the committee unless we get something for Thursday, then we'll figure it out.

Nick: We'll need someone to man the table at insurance and we're waiting on a couple other offices/companies to see if they'll come- like Bank of America and Alumni Affairs

Tommy: Alumni Affairs wants to talk about how to get involved in philanthropy as a college student

Nick: so we've got 8 tables if all 3 tentative groups say yes, which is a good number to cap it. Do we have tables?

Jackie: We have some in OSI, we don't want to use some from events because it'll cost money- I'll go ask how many tables we have.

Nick: and we definitely need to be there early so we can move the sofas.

Tommy: what about food?

Nick: I'm pushing a bill through to 2nd reading this week since I wasn't here last week.

Tommy: going to BJ's, or..?

Nick: catering

Nick: biggest thing for finance the rest of the semester, other than not running out of money, is the SFB merger. Evan and I are going to be meeting with Sara and Melissa and others on this.

Jackie: we have 10 tables

Nick: if you're part of any other orgs, tell them. Tell your friends. Tell the RAs to make it their floor events. I'll send out an email either tomorrow or Thursday for sign ups.

Nick: let's vote on bill 19
