

The Rules of the Student Senate

Last Amended April 8th, 2021

Chapter 1

Purpose

1.1 The purpose of the Rules of the Senate is to ensure every senator takes responsibility in their role as a member of the student senate and serves as an active participant. The Rules of the Student Senate outlines rules to which all Senators must adhere while occupying office, and serving as senators of Mason Student Government. The establishment of the Rules of the Student Senate provides these guidelines that dictate how each member shall conduct their business and what will be required of them while in office.

1.2 Members of Student Senate will dedicate themselves to serving the needs of the Student Body and the University. Members of Student Senate will make decisions that will enhance the entire organization, the university, and their community rather than themselves. Members of Student Senate will practice fairness, integrity, and dependability in their roles within this organization. Members of Student Senate will remain unbiased when addressing the needs, feedback, and suggestions from members of the organization and members of the university. Members of Student Senate will demonstrate appropriate behavior as outlined in the University Judicial Code, The Student Code of Conduct and other University Policies. Members of Student Senate will strive to set an example of appropriate behavior while interacting with students and other members of the University.

1.3 Members of Student Senate will follow all academic rules outlined by the university, their respected colleges, and their professors.

1.4 Members of Student Senate are willing to devote their time and energy to ensure a well working organization. Members of Student Senate are mindful that they cannot be successful without the work, support, and dedication of all members of the organization. Members of Student Senate will acknowledge the contributions of Student Government as a whole and will not take sole credit for any personal initiative. As a team and not individuals we will focus on using the word “we” not “I” when addressing the media about Student Government events.

1.5 Members of Student Senate will demonstrate a respectful attitude towards others at all times. Members of Student Senate will be mindful of their use of language while at a Student Government event and during Student Government meetings.
